

### Creating Your eBook with Darren Baptiste

Are you interested in creating dynamic multimedia story experiences for iPad?

This classroom workshop is a concise and comprehensive introduction to publishing e-books with Apple's iBooks Author software. In this series of three 2-hour sessions, you will be led through the creation of a complete e-book, from text entry to online publishing.

**We will cover:**

- Text preparation • layout considerations • graphics editing • using audio and video • metadata • publishing on the Apple iBookstore

**You will need:**

- MUST Bring Your Own Computer - iBooks Author runs on Macs running the Lion operating system

**Optional:**

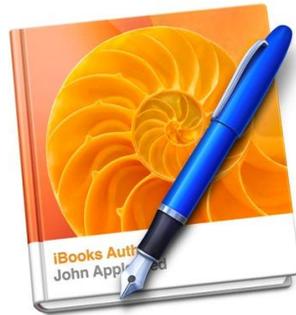

- bring your iPad for live testing

Location: A Different Booklist  
746 Bathurst Street

Dates: Monday Oct 15<sup>th</sup>  
Monday Oct 22<sup>nd</sup>  
Monday Oct 29<sup>th</sup>

Time: 6.00pm – 8.00pm

Cost: \$50.00 for 3 x 2-hour sessions

**About the facilitator**

Darren Baptiste is an 18-year veteran of the computer software development and training industry. He is a former instructor at Centennial College in Toronto, and has authored projects ranging from travel books to iPhone software.

### *About the facilitator*

Michael G-A. Lashley is a linguist, academic and career diplomat with exceptional competence in French, Spanish and English, derived from his educational background and his in-depth experiences over several decades in the three cultural environments. He has four degrees from the University of Caen in France and extensive personal knowledge of Switzerland and the French-speaking Caribbean. His practical approach to teaching makes the learning experience both pleasant and meaningful.
